Club Speaker Expresses Hope for World Peace

"If we are to have world peace it will come through our women folks," said Frances Evelyn Nance in speaking before the members of Torrance Woman's club at their meeting in their clubhouse, 1322 Engracia avenue, yesterday.

In order to create a neighborly feeling between women of the world, Miss Nance visited the Scandinavian countries recently and learned of their homes, their clothing, their customs and now by pen and word of mouth is endeavoring to enlighten American women, and teach them to believe as she does that persons living under a different flag than we are not necessarily strangers.

Miss Nance conceived the idea of taking the trip to Sweden and other Scandinavian lands, when she attended a conference of the Associated Country Women of the World at Washington, D. C. Here she met women of 32 countries and each invited her to be a guest at their home should she visit their country.

Miss Nance an exceptionally fine speaker with wealth of human understanding held her audience in breathless expectancy during her talk.

Miss Pettigill, member of the Long Beach Federal Symphony orchestra played a group of old favorites on her harp. Her musical program fitted perfectly with Miss Nance's talk.
